**"INNOVATIVE PRACTICES IN SWACHHTA"**

**Report- One Week Workshop, Dates : 27th to 31st Jan.2020**

**Organized by, MANIT, Bhopal**

**Date: 31-01-2020**

As per MHRD EBSB cell directives during the Swachhta Pakhwada, One Week Workshop titled "INNOVATIVE PRACTICES IN SWACHHTA" has been conducted from 27th to 31st Jan 2020. Under the guidance of Dean SW Dr. J. L. Bhagoria the workshop has been Coordinated by Dr Meena Agrawal, Dr Surabhi Mehrotra, Prof Neha Kolhe and Prof. Bulbul Shukla. A count of 62 Students have participated into the workshop from Architecture and planning department, Re-green Club Energy centre along with NSS unit students, from 4:00 pm to 7:00 pm in G-1 Hall, Architecture Deptt. MANIT, Bhopal

**Day One:** Slogan Writing **Competition**

To mark the inaugural the invited guest were from Bhopal Municipal Corporation, IEC expert Ms. Jahnvi Dubey along with the cleanliness brand ambassador Mrs. Kumud Wadhwani, Mrs. Mita Wadhwa and Mr. Gurvinder Singh. The Swachhta Ambassador from BMC Bhopal motivated the students to come forward give their support for #CYOB carry your own bag, carry your own bottle movement to save environment. The team mentioned 4Rs for the swachhta and save environment ie reduce, reuse, recycle and redistribute and the told it's the responsibility of the youth contributing in the cleanliness of our country. They demonstrated best out of the waste Model making- pots, bags etc.

Slogan Writing Competition was kept for the students to create awareness of environmental degradation and actions on it.

**Day Two**: Essay Competition

On the second day the workshop coordinators Dr. Surabhi Mehrotra and Prof. Neha Kolhe gave presentations to refuse the single-use plastic to protect our water bodies, soil and animals. Essay Competition on innovative practices in swachhata, was kept for the students to express their views and suggestions for the theme. Students wrote essays in

Hindi as well as English and pour their minds in papers in creative manner.It was difficult to decide and pick the top 3 entries because many students presented nicely point wise ideas in swachhata innovation.

Day Three: Poster making and Nukkad natak

This day was to bring out the artist inside students with colours, yes it was On the spot poster making competition organised on 29th jan 2020 to bring out the creative thinking in students towards cleanliness.

It was followed by amazing Nukkad Natak which was coordinated by Prof. Neha kolhe who well motivated the participants to act their best. Students presented burning social issues acting and expressions very effectively.

Day Four: Cleaning of their own spaces

A lecture on solid waste management was given by the workshop coordinator Dr. Meena Agrawal with an emphasis upon segregation of waste. Then came the time of actual ground work cleanliness drive was carried in corridors and outside. After which plantations were carried where into students participated very enthusiastically.

Day Five: Group Discussion

Another motivational lecture on Students Role in Society Building was taken by Shri Anshul Jain of AoL- SELP followed by the valedictory function where in the certificates and prizes wer given to the participants and the winners by Dean SW Dr. J. L. Bhagoria. An expression of thoughts was also done by students on the learnt innovative practices in the workshop.

The Swachhta team from Bhopal Municipal Corporation, IEC expert Ms. Jahnvi Dubey along with the cleanliness brand ambassador Mrs. Mita Wadhwa visited again to ensure the clothes, shoes, books collection boxes to be kept in each n every hostel.

The workshop ended with better prevailing feeling of responsibility towards the practices of cleanliness so the efforts went very productive and successful. The cleanliness drive now continues with new vigour and ideas.
