REPORT OF INTERNATIONAL CONFERENCE ON "TRENDS IN INDUSTRIAL AND MECAHNICAL ENGINEERING"

Title: International Conference on

"Trends in Industrial and Mechanical Engineering (IC TIME 2016), February 4-6, 2016.

Department: Mechanical Engineering

Brief Programme Report:

The department of Mechanical Engineering, MANIT Bhopal organised an International Conference on "Trends in Industrial and Mechanical Engineering (IC TIME 2016) during February 4-6, 2016. The Chief Guest Mr. Sunil Kumar Rajotia, Global Sales Head, DEIF, Denmark inaugurated the conference at 10 A.M. on Feb. 4th, 2016 in the S. Radhakrishnan Auditorium. Dr. Appukuttan K.K., Director, MANIT Bhopal was the patron of the conference and Dr. J.L. Bhagoria, HOD, Mechanical was the chairman of the conference/ Dr. Ajay Verma, Dr. P.K. Soni and Dr. V.K. Soni were the conference coordinators. The Conference Technical Sessions were organised in G9 hall, CAD Lab and ACAD Lab of the Mechanical Engineering Department. About 100 papers were presented in 13 technical sessions from the broad themes of Industrial Engineering, Production Engineering, Thermal Engineering, Design Engineering, Energy and Environment and Others.

The keynote speakers were:

1. Mr. Sunil Kumar Rajotia, Glabal Sales Head, DEIF, Denmark.
2. Dr. Appukuttan K.K., Director, MANIT, Bhopal

All these technical sessions were chaired by senior faculty members of the institute and outside eminent faculty members including Dr. S.K. Mittal, Dr. J.L. Bhagoria, Dr. Siraj Ahmed, Dr. S.P.S. Rajput, Dr. G. Dixit, Dr. K.K. Dhote, Dr. Shailendra Jain, Dr. R.K. Dwivedi, Dr. K.R. Aharwal, Dr. C.M. Krishna, Dr. Rajesh Purohit, Dr. S.C. Gupta, Dr. Prashant Baredar, Dr. Amit Benergi, Dr. Kamal Singh, Dr. Sanjay Shrivastava, Dr. P.K. Soni and Dr. Ajay Verma. The work of rapporteur was done by Dr. Manish Vishvakarma, Dr. Alok Singh, Dr. C. Sasikumar, Dr. Vilas Warudkar, Dr. K. Sudhakar, Dr. Amit Suhane, Dr. P.M. Mishra, Dr. Sundar Lal Pal and Mr. Lokesh Boriwal.

The conference was concluded on February 6th with valedictory function at 12:30 Noon. The conference e provided an vibrant platform for sharing of knowledge and information among researchers, academicians, and people from the industry from the field of Industrial and Mechanical Engineering and related areas.
