Subject: Online Classes of UG second semester from 15-03-2021.

The classes of B Tech / B Plan / B Arch second semester have been started online from today. However it has been reported that very few students were present in the classes. One faculty member and HOD have reported that students were asking for offline classes.

The offline classes cannot be conducted right now as conditions due to COVID 19 are not suitable to have offline classes. The students are required to attend the classes online as in the first semester as per time table displayed.

However the Institute is thinking to start the offline classes from July 2021 if conditions prevail at that time.

Students please note that it require to use the hostel facilities if classes are to be conducted offline. About 4000 students are required to stay in hostel in the campus which is main hurdle to start the classes.

All HODs are requested to ensure the conduction of classes online.
