

Induction Training Workshop for Teachers in Architecture and Planning,

Organised by

Department of Architecture and Planning,
Maulana Azad National Institute of Technology (MANIT), Bhopal

INTRODUCTION:

Department of Architecture and Planning, Maulana Azad National Institute of Technology, Bhopal is organizing a five days induction training workshop for new/young teachers involved in teaching undergraduate degree courses (B.Arch. and B. Plan.) at different places in India.

Teaching architecture and planning subjects requires a special skill set and orientation. A formal training programme can be of great help for the beginners in preparing them to be good teachers.

The five days training workshop offers different modules of lectures and hands-on training/presentation for learning various important aspects of pedagogy. Each day shall have four sessions. The programme shall have lectures delivered and interactive sessions conducted by the experts while the participants would be required to share their experience of teaching.

ABOUT MANIT

Maulana Azad National Institute of Technology (MANIT) Bhopal started functioning in 1960 as Maulana Azad College of Technology (MACT). Year 2020 is a landmark year as the institute will celebrate Diamond Jubilee of its establishment. The Department of Architecture and Planning, MANIT Bhopal has been engaged in imparting Architecture education since 1963. Bachelor of Planning programme was started in 2007. There are currently two Post Graduate M. Planning programmes running in the department with specialization in Urban Planning and Housing. Department also runs a doctoral programme.

OBJECTIVE:

The training workshop is aimed at preparing and helping the participants to emerge as successful, confident teachers and academicians of future. The workshop intends to address essential aspects connected to architecture and planning pedagogy.

By attending this workshop the participants will learn the following:

- Introduction to different tools and techniques useful for teaching architecture and planning.
- Understanding art of teaching and basic concepts of pedagogy for architecture and planning.
- Learning methods of designing assignments, techniques of assessing and evaluating students' performance.
- Introducing fundamentals techniques, curriculum development and planning lectures for different subjects.
- Methods of planning, preparing, presenting and content delivery; obtaining essential communication skills.

TRAINERS:

Dr. Manmohan Kapshe, MANIT, Bhopal, India

Dr. Sonia Taneja, MANIT, Bhopal, India

Dr. Nakul Dhagat, MANIT, Bhopal, India

Dr. Charumitra Kapshe, MANIT, Bhopal, India

Other experts shall be invited for delivering lectures and conducting interactive workshop sessions.

WHO CAN PARTICIPATE:

The training workshop is designed for new/ young faculty members and early career professionals working in the field of architecture and planning. The workshop shall address needs of the faculty members in architecture/ planning schools/ departments.

Preference would be given to the applicants who are involved in teaching on full time basis. However, part time / visiting faculty and other professionals who aspire to be teachers may also apply. Maximum number of participants is limited to twenty.

IMPORTANT TERMS AND CONDITIONS:

- A nominal registration fee of Rs. 2000.00 (Rupees two thousand only) is being charged for participation in the programme to avoid non serious applications
- Registration fee includes workshop kit, reading material, working lunch and tea/snacks on the workshop days.
- Participants have to make their own travel and stay arrangements.
