Subject: Information regarding Membership of DELNET Consortium

The Central Library is pleased to announce that it has been admitted as an Institutional Member of DELNET (Developing Library Network) Consortium.

DELNET, started in January 1988 and registered as a society in 1992, was established with the prime objective of promoting resource - sharing among the libraries through the development of a network of libraries. It aims to collect, store, and disseminate information in addition to offering computerized services to users, to coordinate efforts for suitable collection development and also to reduce unnecessary duplication wherever possible. At present, it has 1966 libraries as its members (215 libraries in Delhi, 1730 outside Delhi in 32 States & Union Territories, and 21 in overseas countries).

The DELNET databases can be accessed through the World Wide Web using the following procedure:

- (1) Go to the URL : <http://delnet.nic.in>
- (2) Click onto DELNET Online
- (3) User Name: **mpmanit**
- (4) Password: **manit2039**

For requesting the books on Inter Library Loan (ILL) or the Xerox copy of a research paper / article, kindly contact / mail the I/c Librarian. Requests can also be sent (with bibliographical references, of course!) to DELNET for those resources that may not be currently available in the union catalogues and the consortium will try to arrange the resources.
