

## **Central Library**

**MANIT, Bhopal**

### **Circular**

Dated: 04 / 04 / 2013

### **Regarding the launch of “Earn While Learn Scheme”**

In accordance with the decisions taken in 30<sup>th</sup> BOG meeting and subsequent directives issued by Hon. Director, the Central Library has decided to implement the *Earn While Learn Scheme* with immediate effect. Under this scheme, interested students can get themselves registered with Central Library and provide assistance towards its upkeep & routine operations. This will be a remunerative activity which will help us improve the state of the library and, at the same time, will allow students earn some money to meet their expenses.

All interested students are requested to be in touch with the Incharge Librarian for more details and registration. The Incharge Librarian is requested to provide all relevant information to students and make necessary arrangements (including reassignment of duties to available library staff) for effective implementation of this scheme. Any additional requirement of manpower, security or resources may please be indicated to the institute administration at the earliest.
