

# ROLTA INCUBATION CENTER

## MAULANA AZAD

### NATIONAL INSTITUTE OF TECHNOLOGY BHOPAL

## Invitation for Startups

Applications are invited from aspiring students having novel and commercially viable ideas to set up their units in the Rolta Incubation Center of the Institute. On the basis of the potentiality of the proposal, the selected entities will be categorised as funded or self financed.

### Eligibility

- Individual student/student team from MANIT

### Facilities Available

- Furnished/Semi-furnished/Unfurnished space as per the requirement of the entity
- Internet, electricity, and water facility
- Laboratory and workshop facilities, if available
- Mentoring support

### Funding and Duration

- Seed fund of INR 50,000/- to selected startups. Other startups may be accommodated as self-financed entities.
- Additional funding support may be available as per the choice of Funding Agencies
- Facilitation of bank loan
- Duration: One year (can be extended for another year, on approval)

### Expected Deliverables

- Working prototypes/products/models/services
- Patents and copyrights
- The successful entities should be converted into registered firms

### Procedure

- Each Applicant has to submit Application form to the given mail id.
- Each applicant has to make a Business Plan presentation in front of the Selection Committee
- Each selected startup has to sign an agreement with the MANIT Rolta Incubation Center

### How to Apply

Apply in the suggested format available on the Institute Website and send soft copy to [manitrolta@gmail.com](mailto:manitrolta@gmail.com) latest by **10<sup>th</sup> May 2022**.
