Activation of JSTOR Content

All faculty members, research scholars & students are requested to note that the access to JSTOR is up and running now. A part of ITHAKA, JSTOR is a digital library of more than 1,500 academic journals, books, and primary sources. It helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform. The access covers the following JSTOR Collections: Arts & Sciences (I to XI), Life Sciences, Plant Science (available at plants.jstor.org), Aluka Content (www.aluka.org), etc.

The URL for accessing the activated resources is: <http://www.jstor.org/>

The access has been activated on all currently active institute IP Ranges (as indicated and confirmed by Mr. H. S. Chouhan, I/c Networking).
