Engineering	Computers & Chemical Engineering
Engineering	Cement and Concrete Research
Engineering	Computers & Structures
Engineering	Computers & Fluids
Engineering	Computers & Electrical Engineering
Engineering	Mechanics Research Communications
Engineering	Computers & Industrial Engineering
Engineering	Progress in Aerospace Sciences
Engineering	Annual Reviews in Control
Engineering	Progress in Energy and Combustion Science

Engineering	Transportation Research Part A: Policy and Practice
Engineering	Applied Thermal Engineering
Engineering	World Patent Information
Engineering	Journal of Safety Research
Engineering	International Journal of Impact Engineering
Engineering	Robotics and Computer-Integrated Manufacturing
Engineering	International Journal of Plasticity
Engineering	Tunnelling and Underground Space Technology
Engineering	Neural Networks
Engineering	Applied Mathematics Letters
Engineering	Mechatronics
Engineering	Expert Systems with Applications
Engineering	Renewable Energy
Engineering	Engineering Applications of Artificial Intelligence
