INTERNATIONAL CONFERENCE

on

Recent Advances in Transport Infrastructure

Co-Sponsored by TEQIP III

(13th - 14th February, 2018)

Conference Chairman

Dr. P K Agarwal

Organising Secretary

Dr. Siddhartha Rokade & Dr. Anuj Jaiswal

Organized by:

Department of Civil Engineering
Department of Architecture & Planning
Maulana Azad National Institute of Technology Bhopal (MP), India

In Association with

**Institute of Urban Transport (IUT) MP & CG Chapter,
MANIT Bhopal**

ABOUT THE INSTITUTE

Maulana Azad National Institute of Technology (MANIT), Bhopal, was established in the year 1960 and subsequently upgraded to National Institute of Technology (NIT) in 2002. Department of Civil Engineering and Architecture & Planning both run UG and PG programs. The Departments are equipped with state of the art laboratories/studios. The institute is also involved in R & D activities apart from providing consultancy services in road rail and air transport. The institute is located in the heart of Bhopal city and is well known worldwide as city of Lakes. It is well connected to various parts of country by road, rail and air.

ABOUT THE CONFERENCE

The proposed International Conference aims to provide a platform for academicians, field engineers, planners, researchers and students in the area of Transportation engineering and planning to have an overall understanding about the state of art transport infrastructures, modern public transportation system, testing of construction materials for pavements, design of pavements, road safety etc. The conference will be organized in association with the **Institute of Urban Transport India (IUT) MP & CG Chapter**. The key note address would be delivered by International expert **Dr. Vivian Robert Ronald**, Associate Director Strategic Consultancy, AECOM, Nottingham, UK. The conference will also be facilitated by eminent experts from various IITs, NITs, SPAs and other institutes of repute.

CONFERENCE THEMES

- Urban and Transportation Planning, Design and Management
- Traffic Engineering and Management
- City Planning Development Policy and Economics
- Intelligent Transportation Systems & Smart Technologies
- Road Safety and Accident Prevention
- Sustainable Transport (Public Transportation System and NMT)
- Transportation Surveys and Geometric Design
- Pavement Material Characterization and Quality Control
- Pavement Design and Construction
- Pavement Maintenance and Evaluation
- Environmental Impact Assessment
- Case Histories related to Transportation Engineering and Planning

EXECUTIVE CERTIFICATE COURSE

MANIT Bhopal will offer Executive Certificate Courses during the conference. These courses will be offered by experts from reputed organizations and will be an excellent opportunity for UG, PG & PhD Students, Academicians, Researchers, Practitioners to enhance knowledge and skills. Participation Certificate will be provided to the participants registered for the Executive Certificate Courses. It will be necessary to register separately for the Executive Certificate Courses and the Conference.

Following are the courses:

Course1: Pavement Design

Course 2: Road Safety

Course 3: Traffic Engineering and Management

Course 4: Sustainable Transportation (Public Transport and NMT)

REGISTRATION FEE

The registration fee includes expenses on participant's kit, conference proceedings soft copy, working lunch, high tea. Apart from this a conference Dinner will be organized on the first day of the conference. Enclosed Registration form along with demand draft of registration fee in favor of **"IUT RC MANIT"** payable at Bhopal should be send to the conference secretary. The Conference participation will be on first cum first serve basis. Last date for registration will be January 25th, 2018, after that late fee will be applicable. Every participant/ attendee/ paper presenter has to register individually.
