Guidelines for attending/participating in International Conference/Training Program/Workshop for PG/PhD Scholars of MANIT using TEQIP-III funds:

For Students:

1. The students belonging to engineering disciplines are allowed to attend the International Conference/Training Program/Workshop preferably during their vacations only. For attending Workshop/ Training Program/ Conferences during academic session special permission shall be required from Institute authorities.
2. The International Conference/Training Program/Workshop (within India only) should be in the relevant area of research.
3. The participant/student must have minimum 7.0 CGPA and is permitted only after completion of first year of registration.
4. The proposal shall be initiated well in advance prior to schedule dates in order to avoid any inconvenience.
5. The participant/student will be allowed only to attend International Conference/Training Program/Workshop organized by IIT/NIT/IIIT/IIM/NITTTR/Central universities/Institute of repute.
6. A participant/student may avail maximum **TWO Programs** in an academic year, out of which one must be presentation of paper in reputed conference. Poster presentation shall be discouraged.
7. In addition to attending above events, funds may also be made available to PhD scholars for literature review and visiting research facilities subject to recommendation of their guides.
8. The proposal shall be initially verified by concerned HOD in coordination with mentor/supervisor and subsequently same may be forwarded to Nodal Officer (Academic), for verifying the details. The coordinator (TEQIP) will recommend the case for final approval of competent authority.

For Faculty Members:

1. Faculty members from engineering Departments are allowed to attend the permissible program under TEQIP-III. No contractual staffs are allowed as per NPIU guidelines.
2. Faculty members are permitted to attend International Conference/ Workshops/ Seminar/ Symposium/STTP/Industrial Training etc., organized by IIT/NIT/IIIT/IIM/NITTTR/Central universities/Institute of repute (within India only) in the relevant area of research, as per the available format (at least one month before the event date). For international conferences abroad separate set of guidelines are to be followed (Available on our website)

3. A faculty member may avail maximum **THREE** Programs in an academic year (including vacation/holidays). In case any faculty deputed/nominated by the Institute authority shall not be counted within the above three.

For Staff Members:

1. Staff members may be allowed to attend permissible program under TEQIP-III. No contractual staff is allowed as per NPIU guidelines.
2. Staffs may apply for attending Conference/Workshops/Seminar/Symposium/STTP/Training etc. within India as per the available format.
3. A Staff may avail maximum **TWO** Programs in an academic year (including vacation/holidays). In case any staff deputed/nominated by the Institute authority shall not be counted within the above two.

Common Procedures for All:

- a) The faculty member should fill forms (Annexure-A for FDP/SDP/Training/ attending conferences for above national events) for the program he/she wishes to attend along with details such as Justification of attendance, benefits to individual, department and institute, Venue, Dates and Duration, Financial estimate including Registration Fees, Travel, DA etc.
- b) The concerned HOD should recommend and forward the proposal to Nodal Officer (Academic), after verifying the details with permissible expenditure of TEQIP-III as received from NPIU. The coordinator (TEQIP-III) will be recommended the case for final approval of competent authority.
- c) Scrutiny member(s) shall verify the fulfillment of requirement and the information submitted by the applicant before recommending the proposal to the higher authority.
- d) Prior administrative approval from the competent authority is mandatory to attend such programs and; otherwise, no reimbursement will be paid.

GUIDELINES FOR INTERNATIONAL TRAVEL (2017-18) under TEQIP-III

1.0 INTRODUCTION

These Guidelines are framed to ensure that all international travel related to the Project (TEQIP-III) are undertaken as per the set procedure outlined hereunder:

The objective of the International Travel Support Scheme under TEQIP-III is to enable participants to improve quality of education in Project Institutions through qualitative research. Participants therefore will need to demonstrate not only what they expect to learn or gain from the international experience but also how that experience will be shared with their/ other institutions and result in concrete activities at national level.

The purpose of international travel can be either or both of following:

- i. Presentation of Papers-
 - Plenary session
 - Invited lecture
- ii. Research collaboration only if there is a Joint Research Project

The travel taken for either of the above should have necessarily the following credentials:

- a) Presentation of Research papers in plenary session of International conferences or symposia having established credential in the form of research credentials like Citation; Impact factor and indices and the same should be available on web page of science or Google scholars
- b) Invitation to deliver key note address/ lecture in International conferences and symposia having established credential in the form of Citation; Impact factor and indices and the same should be available on web page of science or Google scholars
- c) For availing the travel under joint research collaboration, the research project should be already approved joint research collaboration i.e. MoU between the host university and participant's organization signed and the collaborative project in progress. The international travel for exploration of possibilities for Joint Research Collaboration is not permitted.

2.0 TARGET PARTICIPANTS

Faculty, Head of the project institutions, and Vice chancellors of ATUs are eligible for international travel under the Project.

3.0 ELIGIBILITY CRITERIA

In order to be eligible for international travel grant, not only the applicants (faculty, HoDs, Directors, Principal, VC) but also the Project Institutions have to fulfil the eligibility criteria as follows:

3.1 Institutional Eligibility: It is mandatory that the institution must meet specified assessment indicators as given below:

(A) Mentee Institute (must at least meet 6 out of 12 Assessment Indicators)				
Assessment Indicators			Yes/No	If yes, please provide documentary evidences
(i)	Autonomy obtained or applied for (At least State Government NOC Obtained and Affiliating University forwarded application to UGC).	:		
(ii)	50% of the eligible UG programmes should have been NBA accredited or applied for accreditation (SAR submitted).	:		
(iii)	BoG composition as per the prescribed structure (as per UGC/AICTE Guidelines)	:		
(iv)	Quarterly BoG Meeting conducted during previous year and availability of BoG minutes on the website	:		
(v)	Twining Activities carried out significantly	:		
(vi)	Atleast 40% students (pre final/ final year) appeared for GATE examination during previous year	:		
(vii)	Atleast 10% students out of appeared have valid GATE score during previous year.	:		
(viii)	20% of 2 nd and 3 rd Year Students have undertaken internship in the industry/IIT/NIT/Research organizations during previous year	:		
(ix)	Induction Programme for first year was successfully completed during previous year	:

(xii)	Student feedback mechanism is established in all affiliated colleges for evaluating faculty performance	:		
(xiii)	Industry Consultation Committee is established for all programs of study for curriculum revision	:		
(xiv)	Availability of Studio for preparing open online course (MOOCs) for the subjects of affiliated engineering colleges	:		
(xv)	Atleast three open online courses (MOOCs) have been developed with the help of quality faculty from affiliated institutions/university	:		
(xvi)	Induction Programme for first year students of affiliated all engineering colleges was successfully completed during previous year/current year	:		
(xvii)	20% of 2 nd and 3 rd Year Students of all affiliated engineering colleges have undertaken internship in the industry/IIT/NIT during previous year	:		
(xviii)	Atleast 30% students (pre final/ final year) from affiliated engineering colleges appeared for GATE examination during previous year.	:		
(xix)	Atleast 10% students from affiliated engineering colleges out of appeared have valid GATE score during previous year.	:		
(xx)	Activities on innovation drive conducted significantly in all affiliated engineering colleges	:		

3.2 Participants Eligibility

- (i) The applicant should have contributed in the implementation of TEQIP-III project in his institution significantly (Please attached certificate of head of the institute)

NATIONAL PROJECT IMPLEMENTATION UNIT (NPIU)

GUIDELINES FOR INTERNATIONAL TRAVEL (2017-18) under TEQIP-III

- (ii) The applicant should have contributed significantly in mentor/mentee institute by conducting the activities (not merely visiting the institute) under twinning arrangements of TEQIP-III project
- (iii) The applicant should have published at least four research papers in peer reviewed journals of his discipline with high impact value and having significant H/I/SCI Index value. The paper should be available on web page of Science or Google Scholar page.
- (iv) The applicant can avail the international travel under project once in a academic year

4.0 PROCEDURE

Applicants for undertaking International Travel are required to submit a complete proposal along with the enclosures to BoG for approval. Such BoG approved proposal shall be forwarded by the Head of the institution to SPIU (Focus state)/DTE (non-focus state) and then to NPIU. The achievements in the academic excellence, research contribution, contribution in the project activities of the concerned participant(s) desirous of availing International Travel facility under the Project be clearly mentioned in the proposal.

Applications from the Institutions meeting required Assessment Indicators (as given in above respective tables A; B; C) only shall be eligible for International Travel. An undertaking in this regard should be submitted to the SPIU/DTE and then to NPIU.

In view of the procedure to be followed and various approvals to be sought the applicants are advised to initiate their proposals at least 3 months before schedule of travel.

DETAILED PROCEDURE FOR APPROVING THE INTERNATIONAL TRAVEL

(i) In case of State Government aided/funded institutions:

- The Project Institutions shall constitute an Internal Scrutiny Committee (ISC); under the chairmanship of Dean (R&D) and consisting of senior faculty members. The ISC shall scrutinize the received proposal (format enclosed as Annex-I) and submit the report to the Head of the institution, along with the proposals.
- The Head of the institution shall submit the proposal to BoG with his remarks on the findings of internal scrutiny committee.

NATIONAL PROJECT IMPLEMENTATION UNIT (NPIU)

GUIDELINES FOR INTERNATIONAL TRAVEL (2017-18) under TEQIP-III

- The BoG will accord “**in principle**” approval for the proposal on the basis of scrutiny report and the recommendation of the Head of the institution.
- The Institute will send the proposal with BoG remarks to SPIU/DTE for further processing.
- **SPIU/DTE will ensure the eligibility of the institution w.r.t the performance assessment and** scrutinize the received proposal as per the checklist (Annex-II) and submit the proposal with its observation to NPIU
- **NPIU will constitute Screening Committee consisting of senior academicians.** The screening committee shall evaluate the proposal as per the criteria suggested in Annex-III and advice the Central Project Advisor (CPA), at NPIU. If deemed necessary, the Screening Committee may seek opinion from external theme experts before arriving at a conclusion.
- On the basis of advice received from the Screening Committee; the NPIU, shall submit a consolidated report to the MHRD for approval.
- The decision of the MHRD shall be final and will be communicated to the SPIU/DTE by the NPIU. SPIU/DTE shall further communicate it to the concerned institutions.

(ii) In case of Centrally Funded Institutions (CFIs):

- **The CFIs TEQIP Unit will ensure the eligibility of its institution w.r.t the performance assessment.**
- The CFIs meeting the eligibility shall constitute an internal scrutiny committee under the chairmanship of Dean (R&D) consisting of senior faculty members. The internal scrutiny committee (ISC) shall scrutinize the received proposal (format enclosed as Annex-I) and submit the report to the Institutional TEQIP Unit, along with the proposals.
- The CFIs TEQIP Unit will scrutinize the received proposal as per the checklist (Annex-II) and submit the proposal with its observation and the remarks of internal scrutiny committee to the “Screening Committee”.
(A Screening Committee be constituted by the BoG of the institution consisting of senior external experts)
- The screening committee shall evaluate the proposal as per the criteria suggested in Annex-III and advice the Director of the institution. If deemed necessary, the Screening Committee may seek opinion from external theme experts before arriving at a conclusion.

NATIONAL PROJECT IMPLEMENTATION UNIT (NPIU)

GUIDELINES FOR INTERNATIONAL TRAVEL (2017-18) under TEQIP-III

- The Director shall present the proposal to BoG with his remarks along with the remarks of the Screening committee.
- The BoG will accord approval for the proposal on the basis of report of the screening committee and the recommendation of the Director
- The CFIs will send the proposal with remarks of the BoG to the NPIU for further processing.
- NPIU shall submit the proposal to MHRD for approval. The decision of MHRD will be final and communicated to the concerned CFI by NPIU.

IMPORTANT POINTS

- (i) The event should be of an international character.
- (ii) The applicant should not have availed financial assistance from any other source for the same event.
- (iii) The faculty should be appointed on regular basis; in case of contract faculty, the concern should have served at least two years continuously and should be there for at least one year after availing the travel
- (iv) Any international tour undertaken without Competent Authority's approval will not be considered as a part of the Project and, therefore, expenditure incurred will not be eligible for reimbursement.
- (v) Head of Institution(s) will avoid travel during the end of the financial year.
- (vi) The faculty availing international travel should ensure compensation for academic loss of the students
- (vii) The period of tours will be limited to seven working days.
- (viii) All austerity measures like discount on training fee, accommodation etc. should be availed. The travel will be undertaken only under the available cheapest restricted economy class air fare.
- (ix) The officials visiting abroad are required to prepare a detailed report of their visit, clearly specifying the gains and an action plan for implementing the feasible activities.
- (x) The experience will also be shared with fellow faculty of the institution.
