

UNNAT BHARAT ABHIYAN CELL MANIT

The **UNNAT BHARAT ABHIYAN STUDENTS CELL MANIT** has organised five promotional activities in the adopted village (09th October 2022) these are as follows:

Mushroom Farming: The Unnat Bharat Abhiyan Cell organised a training camp in the Kharpa village for farmers. Professor (Dr) Vijay Kumar Yadav has imparted the training to farmers and elaborated the benefits and process of mushroom farming. The farmers have raised many questions related to mushroom cultivation and Dr.Vijay has cleared all the doubts and familiarised with process of its cultivation. Further, Dr. Vijay emphasised that mushroom farming is very cost effective and give very good profit in long term as it does not required much investment.

Simple Science Experiments for Government School Students: This activity was performed by the students of Unnat Bharat Abhiyan Cell MANIT. The following experiments were conducted for government school students Invisible Ink, Inflating Balloons without using air & using Vinegar and baking soda, Coin illusion: Disappearing the coin below water and Lungs demonstration.

Awareness for Girls Students in Government School: The girls' students of Unnat Bharat Cell MANIT has delivered number of awareness tips to girl students of government school such as higher education opportunities after 10+2 in science stream, engineering education from IITs, NITs, IIITs & Centrally funded institutes, Medical education from AIIMS and state medical collages, architecture, social sciences, Law, Finance etc. Further, it was emphasised by the MANIT UBA students that how to come out from the phobia of English speaking and writing in daily life.

Job Opportunities after Graduation: The fourth group of Unnat Bharat Abhiyan Cell has elaborated in detail the job opportunities after graduation/post-graduation to the students of government school and how to prepare for the competitive exams, like IES, IAS, IPS, IRS, PSUs, State Public Services etc.

Distribution of Stationary Items to Primary School Students: The last activity of Unnat Bharat Abhiyan Students Cell was distribution of stationary items to primary school students in the village, such as pen, pencils, eraser, sharpner etc.
