

UNNAT BHARAT ABHIYAN CELL MANIT

The Unnat Bharat Abhiyan Cell MANIT & Its Students Cell has organised number of activities in adopted villages.

- 1.) **SELF HELP GROUP (SHG) FORMATION:** Self Help Group formation is one of the basic employment techniques to provide economic opportunity to villagers to prepare the product which is feasible in their village with the support of available resources. Our team has created the Pottery SHG which will provide variety of articles in MANIT through stalls on very affordable prices. The second SHG will provide vegetables and other locally available products through stalls in MANIT under the Unnat Bharat Abhiyan.
- 2.) **QUIZ COMPETITION & PRIZE DISTRIBUTION IN GOVERNMENT SCHOOL:** Our UBA students cell has organised Quiz competition in the government middle school for students and floated a number of questions on basic numerical, general knowledge, basic needs, social awareness etc.,
- 3.) **COMMUNITY PARTICIPATION IN VILLAGE DEVELOPMENT:** The villagers and school staff have been imparted basic training to participate in village development activities and its benefits. Our students of UBA have motivated them to take part in Gram Sabha meetings and raised development issues for the better utilisation of Panchayat funds.
- 4.) **DIGITAL EDUCATION & AWARENESS FOR HIGHER EDUCATION INSTITUTIONS:** The UBA team has imparted awareness and use of digital education in higher studies. They have also provided different source of information and devices to take the advantage in learning and practical aspects through digital education.
- 5.) **SCHOLARSHIP FOR GIRLS:** Our student's team also provided the important information and websites addresses to get the scholarship for higher education. There are number of scholarships for girl students through Ministry of Social Justice & Empowerment, not only this Madhya Pradesh government is also providing scholarships and other girl child development programmes.
- 6.) **HEALTH & HYGIENE, NEW EDUCATION POLICY:** The basic knowledge of health and hygiene has been provided by the students of UBA cell to all the students. A detail discussion and interaction took place between the students of UBA cell and school students on hygiene/sanitation and cleanliness inside the school and their surroundings.
- 7.) **AWARENESS AMONG GOVERNMENT SCHOOL STUDENTS & HIGHER EDUCATION INSTITUTIONS:** A detail has been provided to the government school students on higher education institutions in the country and how to get admission in these premier institutes. These institutions are IITs/NITs/IIMs/IIITs & other centrally funded education institutes in the country.

Thanks to everyone for support

Dr.Pushpender Yadav,

Coordinator,
