

ABOUT THE INSTITUTION

Maulana Azad National Institute of Technology (MANIT) is an Institute of National Importance, formerly known as Maulana Azad College of Technology (MACT). Established as a Regional Engineering College (REC) among the first eight RECs of India, it was accorded the status of National Institute of Technology in year 2002. Presently, the institute is successfully meeting the objective of producing skilled manpower of the highest quality to cope with the challenges of ever evolving industrial needs of the country. The alumni from this institute have been working as professionals, technologists, scientists and entrepreneurs. Some alumni have also been contributing to the nation building by joining civil services, active politics or arts and creative industries. The institute is situated in the city of lakes, Bhopal on a beautiful plateau with a verdant 650 acre campus.

ABOUT THE DEPARTMENT
