## NOTICE

This is to inform all the students about a language learning initiative that the Ministry of Education has undertaken under **Ek Bharat Shreshtha Bharat** programme as part of the Azadi Ka Amrit Mahotsav. As we all are aware that EBSB programme launched by Hon'ble Prime Minister seeks to promote bonding between people of diverse cultures across different regions of the country, and learning each other's language is an important part of building this bond.

In order to help people acquire basic conversational ability in languages other than one's mother tongue, the Ministry of Education has launched a mobile app called '**Bhasha Sangam**'. This app has more than 100 sentences of common usage, both in the text and audio format, in 22 Indian languages. People can learn these sentences, test themselves and generate online certificates. The app has been developed for both Android and iOS platforms.

In addition to the above app, another mobile app called the '**Ek Bharat Shreshtha Bharat Quiz**' app has also been launched. It provides a fun way to learn about the different states of India.

The links for downloading both the apps are as follows:
