### UNNAT BHARAT ABHIYAN CELL MANIT

(A Bridge between MANIT & Government School Students through Unnat Bharat Abhiyan)

The government school students of adopted villages by MANIT Bhopal under the Unnat Bharat Abhiyan (government of India flagship programme) have visited our institute dated 12<sup>th</sup> of April 2023 along with their Headmaster Ji and teachers. The HODs, professors, HOD Sports, lab in-charges, lab technicians and our Unnat Bharat Abhiyan cell students have guided the students during their visits in respective departments and labs.

The government school students got exposure that how higher education institutions are working and what kind of education and placement they are providing to the students. First time they have seen high rise buildings and big labs which has fully surprised them and sparked an idea in their mind to reach in these higher education institutions for higher studies. Apart from the departments and labs visit they have also visited the institute sports complex and it was really enjoyable moment for them. The Unnat Bharat Abhiyan students cell president Sudhanshu Pandey, Vice-President Sanskriti Rajput coordinated the visit with the help of other team leaders of Unnat Bharat Abhiyan cell.

Thanks to Everyone for Support
