Advertisement Notice

Applications for a post of Junior Research Fellow (JRF) are invited from candidates having M.Sc./M.Tech in Chemistry/Materials Science/Physics/ Nanoscience/Chemical Engineering (with min. 60% marks or equivalent CGPI) and NET/GATE qualifications. Selected candidate will work in a research project entitled “*Development of Lead Free Perovskite Halide Materials and In-Situ Photophysical Characterization for Quantum Dot based Display Applications*” funded by SERB-DST, India under the guidance of Dr. Dharmendar Kumar Sharma (Principal Investigator), Department of Chemistry, MANIT, Bhopal – 462003. The JRF post is purely temporary, initially for one year and extendable till the project duration on satisfactory performance (co-terminus with the project). The details can be seen on the Institute website (www.manit.ac.in). Applicants are required to send their application with full educational qualifications and experience certificates (proforma attached) in a **Single PDF file** to PI at dksiitb@gmail.com by **11-03-2022**. Clearly mention “**Application for JRF in SERB-DST project**” in the subject line of the email. Applications lacking mark sheets/certificates in support of claims made by candidate will be rejected.

Applications are invited from eligible Indian nationals, giving full details of educational qualifications and experience, for the post of a Junior Research Fellow (JRF) in research project entitled “*Development of Lead Free Perovskite Halide Materials and In-Situ Photophysical Characterization for Quantum Dot based Display Applications*” funded by SERB-DST, India under the guidance of Dr. Dharmendar Kumar Sharma (Principal Investigator), Department of Chemistry, MANIT, Bhopal – 462003. The post is purely temporary and co-terminus with the project. The JRF post is initially allowed for one year. On satisfactory performance, appointment of JRF is extendable till the project duration on satisfactory performance. The details can be seen on the Institute website (www.manit.ac.in). **Soft copies** of application in the **prescribed proforma along with all enclosures** (in single PDF file) should reach to PI by **11-03-2022**. Email application at dksiitb@gmail.com and clearly mention “**Application for JRF in SERB-DST project**” in the subject line. Applications lacking certificates in support of claims made by candidate will be rejected.

Name of Post: Junior Research Fellow (JRF)

No. of Post: 01

Emoluments: Rs. 31000/- per month + HRA as (As per applicable SERB-DST, India norms/ Institute norms).

Age: Preferably below 30 years on the last date of application.

Essential Qualification:

M. Tech. /M.Sc. in Chemistry/Materials Science/Physics/Nanoscience/Chemical Engineering or other relevant areas with minimum 60% marks or equivalent.

Desirable Qualification: NET/GATE qualified and good at communication skills.

We are looking for fully devoted scientific manpower. This is a full time assignment. Experimentation will involve nanomaterials synthesis and their characterization using conventional and specialized methods at bulk and single molecule level. Preference will be given to the candidates having working experience in the field of Nanomaterials/Quantum dot synthesis and characterization.

Selected candidate will be encouraged to make efforts to register for PhD programme in the institute following institutional norms. The candidates should apply in the prescribed format available on the Institute website (www.manit.ac.in) on or before **11-03-2022**, along with self-attested softcopies of the relevant certificates. If any of the important information provided in the application form is not supported by certificates attached, application will be rejected. Applications should be emailed to the
