

Campus Placement Workshop Alumni Interaction Session

The Training and Placement Cell, MANIT Bhopal, successfully organized the Alumni Interaction Session as part of the "Campus Placement Workshop," held from 26th March to 28th March, under the guidance of Dr. Aruna Saxena, Head, Training and Placement Cell, MANIT Bhopal.

During these interactive sessions, students had the opportunity to engage with esteemed alumni from various industries, gaining valuable insights into the evolving job market, effective interview strategies, and industry expectations. Alumni shared their experiences, highlighting the importance of developing technical proficiency, soft skills, and staying adaptable in dynamic work environments. The sessions provided students with a deeper understanding of the latest industry trends, practical tips on resume building, interview preparation, and networking. Additionally, they gained personalized advice on career growth and skill development, empowering them to excel in placement processes and make informed career choices.

Dr Biplab Dey
Mech, Batch of 1984
President, MANIT Alumni Association(MAA)

Dr. Biplab Dey, President of the MANIT Alumni Association, and Dr. Makrand Bhoot, Founder of PATH & AMBA, also joined the Alumni Interaction Session, contributing their valuable insights and expertise. Their presence enriched the session by providing students with a clearer understanding of industry expectations, career progression, and essential professional skills.

The Alumni Interaction Session concluded successfully with the participation of esteemed alumni, whose insights and experiences added immense value to the event. Their contributions empowered students by providing clarity on career opportunities, enhancing their understanding of industry expectations, and preparing them to excel in the placement process. The session served as a platform for students to gain practical knowledge and make informed career decisions, further strengthening the connection between alumni and the institute.
