Subject: Request for details of Economically disadvantaged students for educational support under CSR Initiative

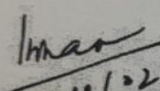

Dear Sir/Madam,

1. We are a rapidly growing and leading organization in India specializing in solid waste management and sewage line cleaning, with operations spanning multiple states and an annual turnover of approximately ₹850 Crores. Committed to fostering societal progress, we actively engage in charitable endeavours and community development initiatives through our Corporate Social Responsibility (CSR) programs. We believe that by focusing on "Promotion of Education," companies can drive social equity and align CSR efforts with national priorities like the National Education Policy.
2. As part of our expanded commitment to empowering communities, we aim to support the education of meritorious students facing financial hardships. To this end, we seek your assistance in identifying deserving candidates enrolled in Undergraduate programs at your esteemed institution who require financial assistance to pursue their academic goals.
3. We kindly request you to share the following details of such students:
 - a) Full Name & Address
 - b) Educational Profile (Course/Year of Study, Academic Performance)
 - c) Financial Background (Brief Summary of Economic Challenges)
 - d) Special Categories such as differently-enabled students, (if applicable)

4. The information provided will enable us to extend tailored support through scholarships, resource provisions, etc. funded under our CSR initiatives. We assure complete confidentiality and ethical handling of all shared data.
5. Given the importance of this initiative, we humbly request your prompt action in compiling and sharing these details at the earliest. Should you require any further clarification or wish to discuss this further, please do not hesitate to contact me at trn_kapoor@citylifeinfra.com or on 9717197362.
6. We deeply appreciate your collaboration in this noble cause and look forward to your swift response.

Yours Sincerely,

For M/s Metro Waste Handling Pvt. Ltd.
