Campus Placement Workshop

Morning Session

26th March
(11:00 AM – 1:00 PM)

DAY 3 : Resume Writing + AI Optimization workshop

The **Resume Writing + AI Optimization workshop** will take place on March 25 from 11:00 AM to 1:00 PM. This session is designed to equip students with the skills and knowledge necessary to create a standout resume in today's competitive job market.

Key topics include a comprehensive guide on how to write a resume that gets shortlisted. This will cover essential elements such as structure, content optimization, and how to tailor resumes for different job roles. Additionally, the session will introduce AI-powered tools for resume building and optimization, demonstrating how candidates can leverage technology to enhance their resumes, improve compatibility with Applicant Tracking Systems (ATS), and maximize their chances of securing an interview.
