DAY 4 : AI Tools & Smart Strategies for Interview Preparation

The **AI Tools & Smart Strategies for Interview Preparation** will take place on March 27th from 11:00 AM to 1:00 PM. The session will focus on supercharging job preparation using AI and automation, providing insights on utilizing AI for interview practice and researching dream companies effectively. A mock interview demo followed by a feedback session will help students refine their approach. As part of the assignment, students are required to record a 2-minute video answering the questions, "Tell Me About Yourself" and "Why Should We Hire You?" and submit it by March 27th.
