SCIENCE AND ENGINEERING RESEARCH BOARD (SERB), DEPARTMENT OF SCIENCE AND TECHNOLOGY, GOVT. OF INDIA. SPONSORED

International Conference on Sustainable Energy & Environment ICSEE-24 23-25 Feb 2024

Organized by
Department of Chemical Engineering
Maulana Azad National Institute of Technology Bhopal

SCOPE OF ICSEE-24

The International Conference on Sustainable Energy and Environment (ICSEE) serves as a nexus for researchers, policymakers, and industry professionals to collaborate on pressing environmental and energy challenges. Focusing on the latest innovations in renewable energy, energy efficiency, and environmental protection, the conference aims to accelerate the global transition towards sustainability. Participants share cutting-edge research, best practices, and emerging technologies. The interdisciplinary nature of ICSEE fosters a holistic understanding of the interplay between energy production, consumption, and environmental impacts. Through fostering dialogue and collaboration, the event contributes to the formulation of effective policies and the evolution of sustainable technologies, ensuring a greener future for all.

TRACKS OF THE CONFERENCE

- Carbon Capture, Conversion and Utilization
- Renewable Energy Production, and Engine Performance
- Environmental remediation: Soil, Air and Water treatment technologies
- Policies & Circular Economy for Sustainable Energy and Environment
- Artificial Intelligence and Machine Learning for Sustainability
- Advanced remediation methods for emerging contaminants

NATIONAL ADVISORY COMMITTEE

Prof. Anil Verma, IIT Delhi
Prof. Anup Ghosh, IIT Delhi
Dr. Arindam Bhattacharya, Scientist at DST
