Subject: Response to Lok Sabha admitted Question No. 2374

With reference to the subject cited above, please find below the response from **Maulana Azad National Institute of Technology (MANIT), Bhopal**

(a) Whether the Govt agrees with the view that women-owned micro, small and medium enterprises (MSMEs) should be increased in the country?

Yes, the MANIT Bhopal agrees that the number of women-owned Micro, Small, and Medium Enterprises (MSMEs) should be increased in the country to promote inclusive growth and empower women entrepreneurs.

(b) if so, the details of the steps taken by the Govt and the other stakeholders to focus on improving access to finance, providing mentorship and skills training and promoting policies that support women entrepreneurs, such as preferential procurement and streamlined registration processes?

MANIT Incubation Centre offers special mentorship and training to woman entrepreneurs. There is one student startup name 'Confluence' registered by the woman entrepreneur Ms. Tanisha Bhati in the year 2024 in the incubation Centre. We created a safe and inclusive environment that encourages innovation and leadership among women.
