**Multiple Entry-Exit system and Academic Bank of Credits**

120 Dr. Syed Nasser Hussain:

Will the Minister of Education be pleased to state:

- (a) whether any assessment has been conducted regarding the challenges faced in implementing the multiple entry-exit system in higher education, and if so, the details thereof;
- (b) the measures taken to address the concerns raised by stakeholders such as a lack of standardization in transfer mechanism, ambiguity/vagueness and integration challenges;
- (c) the progress made in implementing the Academic Bank of Credits (ABC) system, including the number of universities that have fully adopted the Academic Bank of Credits system; and
- (d) the expected timelines/dates for universal adoption of the ABC in higher education?

- (d) the expected timeline/dates for universal adoption of the ABC in higher education?

## Maulana Azad National Institute of Technology Bhopal

**Response:** “RSSQ No. 120 for Multiple Entry-Exit system and Academic Bank of Credits for 30.07.2025”.

**(a) whether any assessment has been conducted regarding the challenges faced in implementing the multiple entry-exit system in higher education, and if so, the details thereof:**

MANIT Bhopal has actively reviewed the challenges in implementing the Multiple Entry-Exit System under NEP 2020. Key issues identified include:

- Variations in curriculum and credit structures across Institutions, making credit transfer complex.
- Lack of a uniform digital framework for credit mobility in some partner institutions.
- Awareness and orientation gaps among students and faculty regarding the operational aspects of multiple entry/exit.

**(b) the measures taken to address the concerns raised by stakeholders such a lack of standardization in transfer mechanism, ambiguity/vagueness and integration challenges; Measures taken to address concerns:**

- Adoption of the **National Credit Framework (NCrF)** to ensure standardized credit transfer.
- Integration with **DigiLocker based Academic Bank of Credits portal** to facilitate smooth credit accumulation and redemption.
- Regular **capacity-building workshops** for faculty and staff to streamline processes.
- Collaboration with other CFTIs and universities for harmonizing syllabi and credit mapping.
- 

**(c) the progress made in implementing the Academic Bank of Credits (ABC) system, including the number of universities that have fully adopted the Academic Bank of Credits system;**

MANIT Bhopal has actively implemented the Academic Bank of Credits (ABC) framework in alignment with national higher education reforms. The institute is fully registered on the ABC portal and has integrated ABC IDs with its student database. As part of this initiative, MANIT has commenced the systematic uploading of credit data and academic awards.

Academic records from admission years 2017 to 2024 have been uploaded to DigiLocker, amounting to a total of 67,400 academic awards.

More than 95% of students' academic awards have been successfully uploaded, and over 95% of currently enrolled students have been onboarded onto the ABC system.

These efforts underscore MANIT Bhopal's commitment to supporting a transparent, interoperable, and portable credit ecosystem for higher education in India.

**(d) the expected timeline/dates for universal adopting of the ABC in higher education?**

MANIT Bhopal has set a target of complete institutional integration with the ABC system by December 2025. This includes full alignment of academic records, credit transfer processes, and administrative support mechanisms with the national ABC architecture.
