

Report on ATF Felicitation Program 2026

Venue: Civil Auditorium, MANIT Bhopal

Date: 6th April 2026

Time: 4:30 PM – 6:30 PM

Introduction

The **ATF Felicitation Program 2026**, organized in collaboration with AlgoUniversity, was successfully conducted at the Civil Auditorium of MANIT Bhopal. The event aimed to recognize and celebrate the achievements of students who excelled in the **AlgoUniversity Tech Fellowship (ATF)** and to inspire fellow students to pursue excellence in technical domains.

The ceremony reflected a blend of recognition, motivation, and opportunity, aligning with the broader vision of encouraging students to participate in national-level technical platforms.

Objective of the Event

The key objectives of the event were:

- To honor students who achieved distinction in ATF
- To motivate aspiring students to participate in future fellowship programs
- To strengthen the connection between academia and industry-driven initiatives
- To create awareness about opportunities in competitive technical fellowships

Event Highlights

The event followed a structured and engaging format:

Opening Session

The program began with a formal welcome addressing faculty members, dignitaries, and students. The audience was introduced to the significance of the ATF program, emphasizing its national-level competitiveness and prestige.

Vision and Success Stories

A virtual address by Mr. **Manas Kumar Verma**, Founder and CEO of **AlgoUniversity** and presentation highlighted the vision behind AlgoUniversity and showcased the journey and achievements of ATF scholars. The fellowship's rigorous selection process—from over 2 lakh applicants to the top 200 finalists—was emphasized to underline its credibility.

Interactive Quiz Segment

An engaging technical quiz was conducted to involve the audience. Participants actively took part through a QR-based system, making the session interactive and energetic. A special announcement was made that quiz winners would be directly eligible for Stage 2 of ATF and would be notified via email.

Felicitation Ceremony

The most significant part of the event was the felicitation of outstanding students.

Awardees:

- **Ayush Pratap Singh** – ATF Select (Trophy + ATF Champion Kit)
- **Naman Garg** – ATF Select (Medal + Tee + Certificate)

Both awardees were recognized for their exceptional performance in the fellowship.

Award Presentation

The awards were presented by **Dr. Bholanath Roy**, honoring the students for their achievements. The moment marked a proud occasion for the institute, showcasing its representation at a national level.

SPC Appreciation

The contributions of Student Placement Coordinators (SPCs) were acknowledged during the event. A token of appreciation was presented to Dr. Bholanath Roy by Ms. Vanshika Gupta, recognizing the support and coordination that made the event successful.

Launch of ATF Season 3 (2026)

The event also served as a platform to announce the launch of **ATF Season 3 – 2026**. Students were encouraged to participate and explore new opportunities through the fellowship. A QR code was shared for easy access to applications, ensuring wider student participation.

Conclusion

The ATF Felicitation Program 2026 concluded on a highly positive note, successfully achieving its goal of celebrating excellence and inspiring future aspirants. The event not only honored deserving students but also motivated the audience to aim for national-level achievements.

It strengthened the culture of technical excellence at MANIT Bhopal and reinforced the importance of perseverance, skill development, and participation in competitive platforms.
