UNNAT BHARAT ABHIYAN (UBA) MANIT

UNNAT BHARAT ABHIYAN

The MANIT Unnat Bharat Abhiyan is a flagship programme of the government of India and its motive is to adopt at least five nearby rural villages by the higher education institutions in the country. The basic approach is to connect these institutions with rural people in the villages and to help them in basic issues of development such as education, women empowerment, agriculture, health, water, girl child development, waste management and technical interventions. The MANIT Bhopal is one of the Regional Coordinator (RCI) of Unnat Bharat Abhiyan in the country and also adopted twelve villages and doing excellent work in terms of education, awareness, women empowerment, girl child development, agriculture, technical intervention, sanitation and waste management.

The Unnat Bharat Abhiyan MANIT student's cell has done number of activities in Government Middle School of Kharpa village dated 8th of March 2025. The students Cell of Unnat Bharat Abhiyan Coordinator Ms.Vidhi Sharma and Co-coordinator Mr.Yadla Dhananjay have planned student's friendly academic activities along with the help of UBA MANIT cell students Vedika, Anjali,Nishi,Surbhi,Nihira,Anuj,Bhumika,Dikshita,Ayush and Dhanu. Our UBA students have informal interactions with government school students and understand their problems during group discussions from academic, social and economic point of view. The majority of the students in government school are eager to know the opportunities in higher education institutions. The UBA students teach them simple arithmetic, geographical maps, drawing competition, opportunities in jobs after the completion of higher education courses, stationary distributed among the school students. The MANIT UBA students clarify their doubts and motivate them to continue their study to become a successful human being in life. Not only this, our MANIT UBA students used the classroom boards to teach them basics of different subjects to school students. The girls in government school at Kharpa gave special care with detail guidance and help to continue their education. The UBA students also organised drawing competition to enhance their creativities and best three students were given winner certification this activity created competitive nature among all the school students. Further, the UBA students created awareness about different education streams at higher level and job opportunities. At last the UBA student's cell has distributed fruits, chocolates and biscuits to government school students.

The UBA student's cell also interacted with headmaster ji and teachers of the government middle school to discuss various issues related government school students and how we can resolve them for the betterment of school students. The Regional Coordinator of UBA cell MANIT Dr. Pushpender Yadav said that our priority is to provide maximum support and help to government school students so that they can continue their study. In coming months UBA MANIT student's cell will perform more activities in adopted villages.
